# One Arch Drome

In 2020, our  
world is  
witnessing the  
demise of the  
inbred Anglo-  
Germanic  
Coburg  
Chrome Crime  
Clan that  
freeloads in  
Buckingham  
Palace.

This book is about the public demise of the Saxe-Coburg & Gotha mafia crime clan. It contains four main sections. The opening parts overviews the *Westphalian Treaties* of the 17<sup>th</sup> Century. It establishes the role and place of the Coburg Clan's brutal Commonwealth slave empire in this context.

The next section explores key aspects of the British Isles. It examines six dominant forces that drive the humiliating public decline of this incestuous, bloodthirsty bloodline.

The fourth segment briefly explores three main aspects of Buckingham Palace's alleged noxious nuisances. These are domestic major felonies and Crimes against Humanity.

Concluding discussions look at contemporary issues that guide so-called world leaders who are acting to remove the genocidal, toxic global influences on inbred, sadistic trillionaire European crime clans. The so-called 'NESARA' Global Financial Reset folklore features in this chapter.

These shocking images show that the Saxe-Coburg & Gotha child sex trafficking, warmongering, genocidal trillionaire mafia crime boss has been *symbolically* dethroned since after President Donald Trump assumed office on January 20, 2017. As a part of the covert, gradual devolution of the Coburg Crime Clan, the Elizabeth II (deceased) body double is not permitted by Britain's military to wear the nation's full crown on its throne. She remains under supervised house arrest.

The Mirror (2017)

This image below shows how Donald Trump purposefully cuts of the Elizabeth II (deceased)

The cowardly Anglo-Germanic Coburg crime clan monarchy surrendered without firing a bullet.

## Queen's Speech: Why didn't the Queen wear her crown?

By Hazel Shearing BBC News 14 October 2019

Because this dethroned mafia matriarch remains under covert house arrest.

To defrock this Nazi crime boss in full public view would shock and destabilize Britain.

Monarchy is always about symbolism and saving face from disgrace.

## Westphalia Treaties

The *Peace of Westphalia* collection are supposedly a set of peace treaties that were signed between 109 parties in 1648. I say 'supposedly' as I take nothing for granted, especially historical narratives that are from earlier centuries and millennia. The claim that history is written by the winners is fact not fiction. Most so-called historical facts are grossly distorted or invented.

This author has visited the immaculate New York Metro museum mammoth at Central Park four times, years apart. He estimates that about 90% of this collection showcases the lives and relics of royals, aristocrats and junior nobility. This champion collection does not capture the ways that the masses lived in prior centuries and millennia. It doesn't even come close to doing so.

Westphalia is a vast region of modern-day Northwest Germany. The *Treaties of Westphalia* aimed to bring cooperative peace among warring European Empires who had engaged in incessant bloody wars in the decades prior to 1648. War continued between France and Spain until the *Treaty of the Pyrenees* in 1659.

The Treaty of Westphalia comprises three separate treaties. The Peace of Münster was signed by the Dutch Republic and the Kingdom of Spain on 30 January 1648. *The Treaty of Münster* was an agreement between Rome's Emperor and France and each sides' allies. *The Treaty of Osnabrück* was an agreement between Rome's Emperor and Sweden and each sides' allies. These treaties are the foundation of International Diplomacy. They recognize the notion of sovereign nation-state boundaries and the rights of individuals to peacefully practice their own religion.

## Commonwealth

The Commonwealth of Nations is a voluntary political association of 53 sovereign states. This is the official narrative. At different times in history, all member nations have been subject to overt or covert supranational rule by the Royal British Empire. India is the most populous nation in this club. Australia is the wealthiest *per capita*; USD57,374 (World Bank, 2020). This image summarizes the geolocations of these 53 Commonwealth states (Commonwealth, 2020).

India was occupied by British Royal Military Forces from 1858 to 1947. Its economy was looted by the British Royal Family's brutal East India Dynasty trillionaire company. Millions of unarmed Indians were viciously murdered by British Forces during this period. A school of thought surmises that Britain never relinquished sovereignty to India. India's notoriously corrupt politicians are treasonous servants of the British Crown who purchase their services behind-the-curtain.

# The Partition: The British game of 'divide and rule'

## Deceit

Europe's inbred royal crime families care not for national borders, nation-state sovereignty or the dignity of peoples. In recent centuries, these mass murdering arch thieves have mastered the dark art of their fake demise. Germany has a royal family. The royal cousin families of tax havens Luxembourg and Liechtenstein are about as German as savory sauerkraut and mettwurst.

Monaco's Royal Family is France's *de facto* Royal Family. The French Royal family faked its exile from France. Virtually all textbooks managed by state funded school *curricula* are fraudulent psy-ops. The House of Grimaldi is a major powerbroker that part controls the global financial system.

Xi Jinping Holds Talks with Prince Albert II of Monaco 2019/03/

A visit by Chinese Premier Xi Jiping and his apex-level delegation to Monaco during March 2019 was barely covered by the mainstream fake news media such as CNN. The head of the world's second largest economy and the world's most populous nation found time to conduct serious business negotiation meetings with a square-mile micro nation that has around 30,000 citizens. The Albert Dynasty is obviously France's deceitful royal clan. This hides in plain sight in this image.

## Novus Ordo Seclorum

This Latin phrase, above, did not randomly end up featuring prominently on the backside of the Dollar note of the most famous and powerful currency in world history. A modern-day translation of this idiom into English reads as 'New World Order'. Prior to the installation of America-first patriotic President Donald Trump, this New World Order was almost in place. The diagram overleaf summarizes this order. In its most simple terms, the Western pole of this order was headed by the Venetian Black Sun Dark Nobility and its Black Pope CEO. Thespian Pope Francis is acting puppet Emperor of Catholic nations. The King Charles Crime Clan deputizes over 53 Commonwealth slave states. Führer Merkel (nee Hitler) aims to head the Nazi EU from Berlin. The House of Rothschild banking crime dynasty controls the Bank for International Settlements.

The Republic of America is the Grand Prix. It has mass natural resources and elite infrastructure.

The Western global order of power is in flux. The Military Industrial Complex backed, Martial Law President Donald Trump is draining America's swamp of domestic and foreign enemies of America's Constitution. The diagram below summarizes the complexity of this audacious mission.

So-called Climate Change and Global Warming theories are most likely scams, whose origins and incessant promotions are traceable to the Anglo-Germanic Buckingham Palace crime clan. This hoax pursues three major functions. It keeps the masses in a perpetual state of doom-and-gloom fear. This lowers human morale and suppresses us to the establishment. Second, it promotes policies that stunt economic development and the proliferation of free access to abundant energy sources. Economic development and the empowerment of the masses threatens the survival of feudal overlords who prefer to rule over serfs who live in darkness – literally. Finally, this fabrication enables gluttonous trillionaire royal crime families to collect more trillions of bucks in carbon taxes. It makes sense for scammers to set a price on a commodity that is freely available, without any limit in quantity, to every person that lives on our planet.

## **Backlash at barefoot Prince Harry and 'hypocrite Greenerati': Eco-warrior elite who turned up at secret climate change Google camp in 114 private jets, helicopters and mega yachts are mocked for leaving their own carbon footprint**

- Prince Harry is understood to have given a passionate, barefoot speech at the secretive Sicily climate event
- Buckingham Palace has today refused to say whether the Duke of Sussex travelled to Italy on a private jet
- The mega yacht Rising Sun dropped A-list celebrities Katy Perry and Orlando Bloom off at the climate event
- Some 114 planes were set to land in Palermo for the elite gathering which has faced claims of hypocrisy

Celebrity climate change phony front men like Bono trot the globe in private jets that emit about 30 times more carbon per passenger than a commercial airliner. The Global Warming fiasco epitomizes the attitude of royal birthright privilege. They believe it is their divine right to live trillionaire lifestyles while the living standards of the masses who graze on their land plunges.

## E Pluribus Unum

The Latin phrase at the top of this page likewise did not end up on the US Dollar Bill by random chance. It was first imprinted on the 1935 version of this Treasury Note after America was bankrupted by The Federal Reserve and its European owners during the no so Great Depression.

Socially engineered wars and man-made disasters earn the Black Sun cartel trillions of dollars in cold hard cash every decade. High-frequency Active Auroral Research Program (HAARP) manufactured hurricanes such as Katrina and those seen in Haiti serve multiple purposes. Fake charities ('Foundations') collect billions of dollars in donations that never reach a crisis victim. Corrupt governments, such as some seen in DC pre 2017, hand out massively inflated reconstruction projects to shell front companies. The arch controllers of these companies return some of this money as election donations. Thirty three, did you say? Loud and clear, *Daily Mail*.

[dailymail.co.uk/news/article-1247788/Haiti-earthquake-One-Haiti-orphans-kidnapped-](https://www.dailymail.co.uk/news/article-1247788/Haiti-earthquake-One-Haiti-orphans-kidnapped-)

At least ten of the 33 children that an American church group tried to smuggle out of Haiti as orphans still have parents, it was revealed today.

One eight-year-old girl told aid workers that she thought her mother had arranged a short holiday for her and sobbed: 'I am not an orphan. I still have my parents.'

The disturbing development emerged as ten U.S. Baptists were set to appear in court in Port-au-Prince accused of trying to take the children out of the earthquake-ravaged country without any proper documentation.

Certain fake charity workers visit war torn impoverished nations and collect hundreds of kids for billionaire pedovores, pedophiles and adrenochrome addicts such as some big-ticket movie stars.

## Kings, Kingdoms & Klansmen

European sovereigns rarely abdicate. They rule until death. So why did Dutch Queen Beatrix abdicate in 2013? She was removed by the infamous Council of 13 Black Sun Dark Nobility who fancy themselves as depopulation custodians of this planet. Beatrix masterminded the hijacked Malaysia Flight MH370. This aircraft was later used to orchestrate a shootdown of a fake Flight MH17 that was loaded with corpses. Her goal was to use this as a pretext to start war with Russia.

Number 17 in fake news is code for a 'deep state' operation. If you search the string 'Hurricane Katrina' and '17000' you may be overwhelmed by the number of fake news responses.

What is the main point of this page? Royal crimes bosses who control this planet are above all legal systems. It is no coincidence that the International Criminal Court at the Hague in the Netherlands is based in this country. The horror House of Orange Amsberg Royal Palace oversees the global criminal injustice system that prosecutes innocent Heads of State of impoverished Latin and African nations who defy the Council of 13. Beatrix was extracted from her throne as she acted without the consent of the Council of 13. Not because of her atrocities *per se*. This clog clan charmer is the inbred cousin of Elizabeth II (deceased) and Buckingham Palace. Nice family.

The following seven pages offer a few symbolic images that are supported with a recognizable reference and brief *speculative* analysis. These inclusions may offer an avenue of inquiry for those who have the will to conduct research into the ways that an Anglo-Germanic Nazi crime clan has covertly ruled over the English people via MK Ultra mind-control deception.

**Queen Elizabeth II** (deceased *circa* 2012) Saxe-Coburg & Gotha

was a German bloodline **Nazi** fake 'English' Queen

The House of Windsor, Windsor surname is phony baloney. It was adopted last century to divert attention away from the fact that Buckingham Palace is under foreign Nazi bloodline rule.

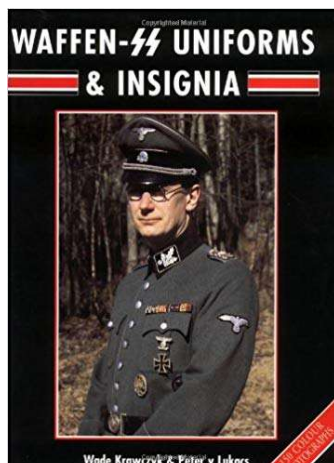

---

Is this phony Queen a Rockefeller plant? Were history books burned and fake ones rewritten?

The Coburg crime clan claim to be Anglicans in their unique, convenient way. They publicly attend Church as cynical public relations brownie points exercises. It is an arch sin of the most heinous kind to hoard trillions of dollars in wealth within one clan when more than half of the planet lives on less than USD\$5 a day without access to healthcare. This is far below the poverty line.

The Coburgs are Masters of the Black order of Cyclops in the dark art of propaganda. No public picture poses that are disseminated by this clan are random or casual. On the balance of probabilities, younger William was set up by his handlers, such as Elizabeth II, when she was alive, to display blatantly anti-Christian symbols such as Nazi insignia and horned Baphomet worship.

William Saxe-Coburg & Gotha proudly flaunts Nazi military paraphernalia in plain sight.

Most people probably accept that these globally famous proper nouns are pure Germanic:

Hamburg, Heidelberg, Nuremberg – Famous major cities in Germany.

Liechtenstein – a Germanic sovereign principality. Its official language is German.

Luxembourg – A regal tax haven nation-state. German is an official language.

Why do many associate classic Germanic proper suffixes such as Stein and Berg with Judaica?

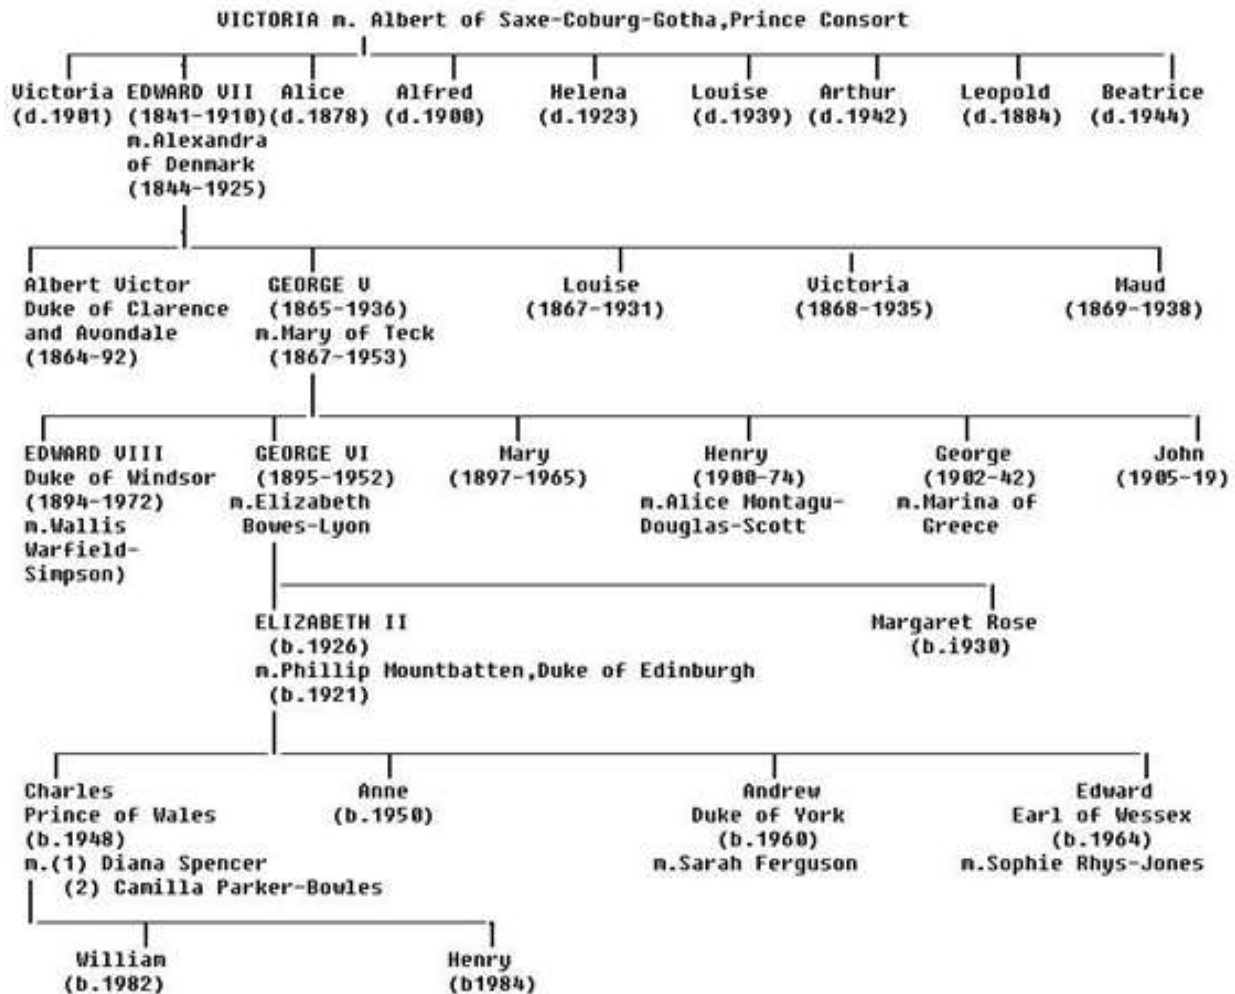

This simplified pedigree overleaf shows the Saxe-Coburg & Gotha Germanic Buckingham Palace bloodline. This clan have inbred with their royal bloodline cousins dozens of times. It is therefore impossible to show a clear diagram on one page that summarizes this supra-European incestuous clan. A theory among free-willed independent researchers is that wannabe (yes, it is a real word) super-celebrities and aspiring super-CEOs absolutely must convert to the Berg or Stein club prior to admission. This author theorizes that this scheme scapegoats these people as bloodline members of a Judaic clan. Their fake new names advertise that their handlers are Germanic bloodlines. Don't expect to find truthful narratives on fake trash sites like Deep State Wikipedia that invents the historical roots and youthful achievements of manufactured celebrities.

Born Goldberg in 2000  
Caryn Elaine Johnson

The fake 'Whoopi Goldberg' stage name is a classic. Mark Zuckerberg shares the same surname prefix with TV personality Arianne Zucker. No doubt thespian Mark Zucker is paid handsomely to act as CEO. The Coburgs own our Facebook data. They masterminded the Facebook-Cambridge Analytica anti Donald Trump coup d'etat in 2016. The Coburgs believe they own America's 50 states. The Coburgs also masterminded the failed Christopher Steele dossier coup d'etat in 2016/17.

### How Queen Elizabeth II and Prince Philip Are Secretly Related

Queen Elizabeth II (deceased) married and bred with her second cousin. Like these royals do.

Heavy, perpetual inbreeding between European Royal crime clans allows these aristocratic families to consolidate wealth and power so that they can enslave billions. 'Habsburg Jaw' is a facial deformity that was common among European Royals and aristocrats during prior centuries.

## Two hundred years of inbreeding among European royals IS to blame for a facial deformity known as the 'Habsburg jaw', scientists claim

The House of Habsburg produced various Austrian and Spanish kings and queens - and they occupied the throne of the Holy Roman Empire from 1438-1740. The generations of intermarriage that secured the family's influence, however, ultimately proved fatal - Charles II of Spain (left) was incapable of producing an heir. The Habsburg jaw - the prominent facial deformity that affected the European royal family of the same name - was the result of 200 years of inbreeding, a study found. King Philip IV of Spain (right) also had the same jawline as did Mariana of Austria (bottom centre) and Emperor Ferdinand II (top centre).

Source: 4Chan (2019)

'Habsburg' highlights the Austro-Hungarian Germanic origins of Berg and Burg ending surnames.

Anti Judeo-Christian royal demonic cults are notoriously misogynistic. Their roots run deep. Was Victoria's Secret the same as Megs? These occultists don't like natural born women with power or fame. It is well documented that female roles were played by young boys in Shakespearean

theatres during Shakespearean times. This may explain endemic royal pedophilia. Female hating occult worship thrives in modern day Hollywood. Perhaps as many as one third of all female Hollywood superstars have XY chromosomes. There is no need to blow any person's cover. There is far too much transphobia hatred in this world. To this author, the mass orchestrated deception of

female transgenderism by Black Sun occultist elites such as the Coburg crime clan is an entirely different issue to a free-willed individual privately changing their body. It is their body after all.

Numerous famous actresses, socialites, primetime news readers and top tennis players (the world's richest sport, by far) were obviously born male. Readers may see the world in a different light if/when their eyes open to this cult. Some members flaunt this secret in plain sight by retaining their original boyish name. Robin is an example of a

gender-neutral name. Glen is a name that does not come close to sounding gender-neutral.

Surrogate mothers carry many XY super-celebrities' babies. Photoshop baby-bumps perpetuate royal lies. *Hello!* The male skull expands in old age – especially the jaw-chin area. Muscled manly necks, husky voices and receding hairlines may turner faded stars back to their birthright gender.

This author almost never talks about race. There is one race – humans. A and Z are of the same race if they can produce a baby. Period. Those who play the race card stink. And they are boring.

On the other side of the coin, some people and elite clans are so racially puritan that their inhumane toxicity deserves public airing. Most members of the Commonwealth are not white majority states. The Queen's Guards does not come close to representing the magnificently diverse demographics of England, Britain or the inbred Coburg's 53 Commentheft slave states.

## King Charles

Elizabeth II Saxe-Coburg & Gotha, who is now 93 years old, died some time before 2016. When she died, her 60+ years brand went six foot under with her. To the paranoid House of Windsor, which is a phony fabricated name, there is no stable replacement. Charles and Camilla are both divorcées. A King and Queen divorcée couple is not permitted by this stuffy unelected institution.

The shocking abdication of King Edward VIII in 1936 set a precedent for the Saxe-Coburg & Gotha crime family. Even though they are obviously not Christians, this Anglo-Germanic Monarch is required to uphold pretenses and follow the doctrines of the Church of England. Edward abdicated the Coburg throne to marry divorcée Wallis Simpson in 1936. This antecedent likely disqualifies covert King Charles from publicly declaring that he is the acting *de facto* Monarch.

This article dated 2019 is an example of many mainstream news stories that covertly inform the public that Charles Saxe-Coburg & Gotha is *de facto* King of England.

In 2018 she completed 283 engagements, down from 332 in 2016, while Charles undertook 507. Charles has stepped up, the king in all but name.

According to *The Telegraph*, the 93 years old Queen Elizabeth attended 295 events in 2019. This was more events than the number of working days, which is around 261 days.

The Earl of Wessex attended 308 engagements, and the Queen 295.

These numbers are not automatically true just because a mainstream newspaper published them. Do you have the time and capacity to confirm these statistics? ## Warlords

The Royal British Military Forces have been the most adventurous warriors of the past two centuries. I extend this definition to include the Coburg's covert control over America's Armed Forces prior to the installation of patriot President Trump. There is no need for this book to chronicle the numerous bloody massacre invasions that this Old Navy has led over the past two centuries. The Boer War, Australasian invasions, Suez Canal meddling – this sick list goes on.

Britain is ever-present in the carving up strategic and oil rich lands in her favor. The partition of Palestine and the creation of a fake state, Kuwait, are classics. Singapore and Brunei are British constructions. Britain offers these micro nations and their military minions defense protection so long as their corrupt ruling families forward them a generous slice of their money laundering money magic profits. Money laundering, human trafficking, drug trafficking – you name it, the Coburgs do it. Few historians challenge the narrative that Britain's Royal forces masterminded the opium trade that enslaved, maimed and killed millions of Chinese in the 19<sup>th</sup> Century.

Britain has a constitutional crisis. All people in these images are figureheads with no power.

Citizens of Commonwealth nations have been brainwashed by their education system, news

media and cultural media to automatically believe that the Saxe-Coburg & Gotha crime family are merely figureheads with no power. It is extremely common to hear people in these nations recite that line, *verbatim*. They do so like a knee-jerk response caused by a doctor's reflex testing hammer.

The list below shows that Elizabeth II (deceased *circa* 2012) outlasted 12 Prime Ministers prior to her unpublicized death.

These Prime Ministers in order of date of office were: Winston Churchill; Anthony Eden; Harold Macmillan; Alec Douglas-Home; Harold Wilson; Edward Heath; James Callaghan; Margaret Thatcher; John Major; Blair; Gordon Brown; David Cameron.

The Coburg Matriarch outlived hundreds of Prime Ministers in the 53 slave nations that were subordinate to the Saxe-Coburg and Gotha crime family during Elizabeth's reign from 1953-2012.

The number of recessions, millions of unemployed and impoverished varies each decade in Britain. As these figures alter – one staple remains. The Saxe-Coburg & Gotha's wealth grows by more than a trillion pounds Sterling every decade as they freeload in Buckingham Palace, London.

The information below is for financial year 2018/19. It was published by the British Government on the website shown below.

The key financial details reported today are: [royal.uk/financial-reports-2018-19](https://royal.uk/financial-reports-2018-19)

- The total Sovereign Grant for 2018-19, including the dedicated amount for Reservicing, amounted to £82.2m (2017-18 £76.1m), equivalent to £1.24 per person in the UK.
- The £82.2m Grant is made up of a Core Grant of £49.3m and an additional dedicated amount for Reservicing of £32.9m.
- Additional income generated from facilities management charges and property rental increased to £17.8m (2017-18 £17.3m), up 3%.
- The official expenditure in the year met by the Sovereign Grant was £67million, up 41% (2017-18 £47.4m), primarily due to higher levels of spending on property, including £14.1m on Reservicing and £25.1m on maintenance from the Core Grant.

Britain's Royal crime family, who lives on the British taxpayers' dimes, are trillionaires. The bulk of the Coburg's clan is invisible, controlled wealth. This includes their covert holdings in America's *circa* 22 trillion dollars debt. The US Federal Reserve refuses to name its owners, which includes the Bank of England. The British (Germanic) monarchy owns *billions* of acres of Commonwealth crown land. They also own all raw resources underneath Commonwealth nations, including gold, coal and oil. This Commonwealth taxpayer subsidized crime clan is the wealthiest on this planet.

[businessinsider.com/worlds-biggest-landowners-2011-3#meet-the-other-us-land-barons-16](https://businessinsider.com/worlds-biggest-landowners-2011-3#meet-the-other-us-land-barons-16)

**Land:** 6.6 billion acres of land worldwide including Great Britain, Northern Ireland, Canada, Australia and a few other spots here and there. Also, the all-important Falkland Islands.

Every Buckingham Palace resident holds executive military rank. This showcases this crime clan's obsession with warfare. No royal evades mandatory military service. Ninety years olds must don fake trench combat garb to remind the lads who their crime boss is. Sweet, kind gents who prefer thespian theatre over warfare

theatre must also play dress ups. Every executive needs a last resorts backup. My, what a pretty red hat. And ladies of the manor also frock up in ridiculous rags. Second last resorts, perhaps.

Exempt from mandatory age retirement and fitness testing.

Utterly garish.

## Cold blooded

Numerous key symbols that showcase the magnificence of England & Wales are cold blooded reptiles. Are the Saxe-Coburg & Gotha crime clan part lizard DNA as in 'Elizabeth'? Is this why they only marry cousins? To those awake, bizarre truths hide in plain sight. Right: Welsh flag

Elizabeth as in Lizard? This theory may explain this late Arch Warlord's absence of empathy.

David Icke has claimed since the 1990s that the royal family are alien lizards.

Hundreds of millions of citizens of Commonwealth nations live in acute poverty. The Saxe-Coburg & Gotha trillionaire crime family claim to care for the welfare of Commonwealth citizens. Liars.

Her private carriage is made of bullion. It is worth about USD150, 000, 000, 000 (USD150 billion).

The Coburg crime clan care deeply about the welfare of this community in India. Apparently.

The world witnessed the immediate aftermath of Diana's assassination in 1997. It was probably a top ten event of the last century. The reaction of the Saxe-Coburg & Gotha matriarch to Diana's death was shocking. Her coldness was widely reported by mainstream news media and others.

[express.co.uk/news/royal/1189413/the-queen-news-heartbreak-princess-diana-death-reaction](https://www.express.co.uk/news/royal/1189413/the-queen-news-heartbreak-princess-diana-death-reaction)

## Queen heartbreak: Queen's shocking response on hearing of Princess Diana's death

Ms Seward wrote: "The Queen was bewildered and caught up by the mood of suspicion as to what had caused the accident.

"Her first comment, upon being told of Diana's death, was to say: 'Someone must have greased the brakes.'

To be fair, not all people respond to death the same. Especially in the public arena. And monarchs are required to show stability. Millions would likely parody Elizabeth II if she wailed wildly on television. On the other side of the coin, detractors argue that it was obvious from her speech that Queen Coburg hated Diana. May you watch the footage in full and freely decide for yourself.

## England & Wales

England & Wales are officially one nation. They are not a sovereign nation-state. The United Kingdom is a union of England, & Wales, Scotland and Northern Ireland. England has a population of *circa* 56 million. Wales has a population of *circa* 3.2 million. England is the dominant member of this union. Britain's National Assembly and its royal family are housed in Central London.

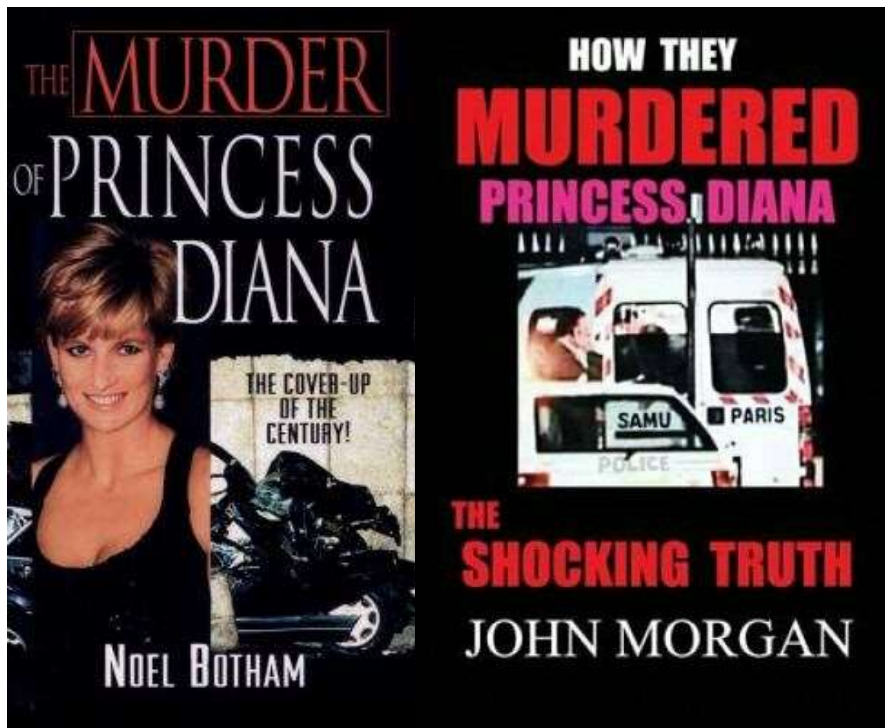

Relations between Wales and England are unique, compared to England's relationship with other union members. Wales has its own legislative assembly that is subordinate to London. Welsh is spoken by about 20% of all residents in Wales. This is the highest concentration of Anglo-Celtic languages spoken anywhere in the UK. In contrast to Scotland and Northern Ireland, Wales has

never engaged in warfare or militia subversion to gain independence from England or the UK.

In a similar vein to 9/11, the official fairy tale facts surrounding the Princess of Wales's assassination defy commonsense logic. As the Coburg's lose high power, and inevitably the palace, the truth behind this premediated murder will eventually become public. Until then.

RIP Diana

## Witness tells Diana inquest of flash in tunnel

[www.telegraph.co.uk/news/uknews/1566193/Witness-tells-Diana-inquest-of-flash-in-tunnel](http://www.telegraph.co.uk/news/uknews/1566193/Witness-tells-Diana-inquest-of-flash-in-tunnel)

MI6 laser strobe?

The demise of the Coburgs will be accelerated by this unexplained phenomenon. This in turn will open the floodgate for a legitimate public inquiry that is not just another fabricated farce. To bump off a stratospheric celebrity requires sign-off from the very top. Just like 9/11. Right, mam?

## Olympics

The Olympics are the most famous, prestigious supranational multi-sports carnival. The images, tone and subtext of the opening and closing ceremonies are controlled by those perched at the top of the host nation. Warped Babylonian Black Sun occult images dominated London's closing ceremony in 2012. Pagan priests, pyramids, pirates and a phoenix. A poisonous palace parade.

Thorn in Christ's side

Hollywood turned adorable Annie Lennox into a superstar. Hollyweird always collects its debts.

## Scotland

How could anyone not fall in everlasting love with all things Scottish? Shortbread, kilts, tartan, bagpipes, awesome accents, haggis and Shetland wool knits. More is not enough. There is no denying that a massive separatist movement has long existed in Britain's most northerly nation. Whether or not this number is a majority among those of voting age is debatable.

Scotland supposedly had an independence referendum in 2014. The official results report 55.3% voted to remain in the Britain. This author no longer believes in the outcomes of super-high stakes polls. We must merely trust that the Electoral Commissioner is not just another political appointment palace puppet. Far too many thespian Presidents and Prime Ministers are chosen behind the curtain in London. Think rigged computerized election voting machines and AI software that tally the votes in London. Little is known about the foreign (non-American) corporations who manage the software that counts America's electoral votes (Cohn, 2019).

[theguardian.com/uk-news/2014/sep/10/scottish-independence-create-mortgage-drought](https://theguardian.com/uk-news/2014/sep/10/scottish-independence-create-mortgage-drought)

# Banks say: we'll leave Scotland if the independence vote is a yes

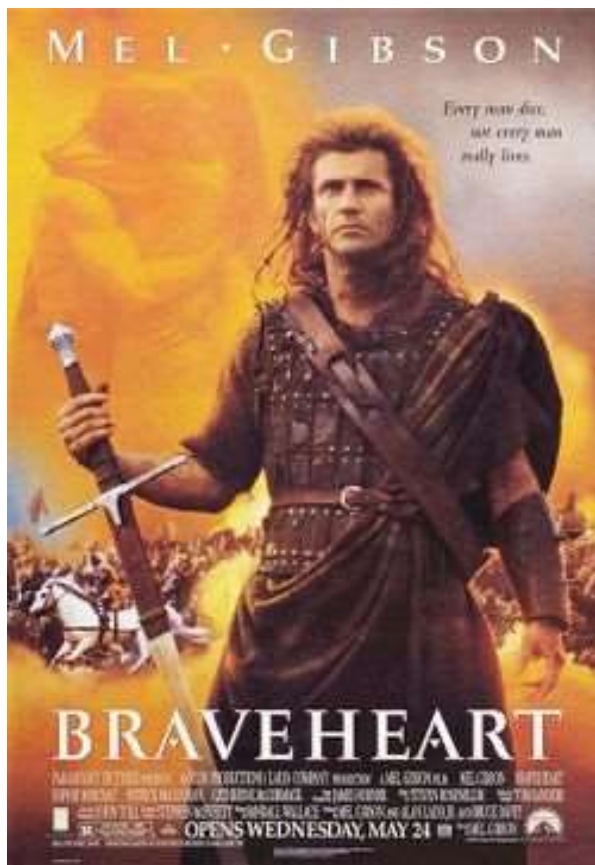

**RBS and Lloyds Banking Group warn of possible relocation to London, if Scottish voters back breakaway from the UK**

In the dying days of the Scottish Independence Referendum, the City of London bankers resorted to their usual Deep State Playbook 101 tactics to get their way. Blackmail, bribery and extortion. For many Scots, the heart may have said leave, and the purse said stay. Merely a suspicion.

## Braveheart

Braveheart was a Hollywood blockbuster released in 1995 starring Mel Gibson. A famous scene in this movie shows the British Royal battle commanders sending the Irish conscripts to the frontlines as first-charge cannon fodder in a battle against Scottish clan fighters. In this famous scene, the Irish charge the Scottish and stop at the last moment, shake hands and join to the Scots to fight the English. For many, probably many millions, this earthy scene captures the resentment that many Celts hold towards cowardly, genocidal aristocrats who orchestrate bloodthirsty empire wars deep behind safe harbor and pin fake combat medals on their chest.

Duke of Edinburgh. The enchanting city Edinburgh contains a German string (Burg) found in Coward Heart's title. House of Schleswig-Holstein-Sonderburg-Glücksburg. Hiding in plain sight.

## The Republic of Ireland

Guinness, shamrocks, leprechauns, Irish stew and Baileys. Yum, tasty, delicious. It's all grand.

On one side of the coin, Ireland achieved the near-impossible. It successfully declared independence from the brutal Saxe-Coburg & Gotha crime family in 1917. A mighty military force that's a hop, skip and an Irish folk dance jump away. The Potato Famine of the mid-19<sup>th</sup> Century epitomizes the insatiable gluttony and sadistic, cold-blooded cruelty of the Coburg Clan. They won't be satisfied once they rule planet Earth. Because Mars and the galaxy aren't on that list.

America's awesome southern musicians owe a debt to their grassroots homeland.

On the other side of the coin, I question whether this almighty, culture rich nation truly achieved emotional independence that enables it to connect with its pure ancient Celtic roots. Its tripartite colors and 353 are a giveaway about who rules the roost by guilt and shame rituals. This one's for the Irish to sort out for themselves. I wish them the luck of the .... ah, errr, the Irish.

## Ulster

The history of Northern Ireland is profoundly complex. Loyalist Catholics and Separatist Protestants are not oxymorons. Such Northern Irishers exist.

The history of The Troubles of this proud, pristine province may offer a lens for political theorists and others to understand contemporary and historical

geopolitical power structures and dynamics of this most interesting, fascinating province.

I don't profess to have insight or accurate leads. If I were to offer one tip about such an investigation project it would be this: Whatever competing accounts you have heard in mainstream outlets such as fake news corporate media, universities and high schools are probably lies. The teachers spewing out such falsities probably don't realize. We the People are brainwashed by governments to engage, trust and believe *status quo* mind-control *curricula*.

This author merely suspects that Northern Ireland is/was a proxy war between the 'Protestant' Saxe-Coburg & Gotha crime family and the Vatican. Both shamelessly complete for absolute earthly dominance, whatever the human price. On the other side of the coin, this Protestant versus Catholics war may have been puppet managed by both side behind-the-curtain in the name of depopulation, chaos and maximizing profits from bullet sales. Why not? Virtually all long-term wars fit into this category: Israel *versus* Palestine; Iran *versus* Iraq – this list goes on.

## Pedophilia

Ethical professionals, such as and journalists, should avoid implying guilt by mere association. Period. On the other side of the coin, rare exceptions exist. The MI5 and MI6 report to the British Royal sovereign. It is near-impossible for outsiders to get close to senior royals without their entire background being vetted. Why do British Royals Knight and befriend serial child rapists?

Queen Elizabeth II Saxe-Coburg & Gotha (deceased) hand-selected a serial child rapist to paint her official Portrait. Rolf Harris is in jail. Her son, Randy Andy, was good buddies with child sex trafficking Mossad crime boss Jeffrey Epstein. Queen Gotha and the Vatican knighted child sex trafficker Jimmy Saville. He/it was buddies with the Saxe-Coburg & Gotha pedovore porn palace.

The Saxe-Coburg & Gotha woman strikes the pose with a convicted, imprisoned serial child rapist.

The Coburg woman also Knighted convicted serial child rapist Rolf Harris. Why didn't the Coburg's protect their shill? Did Harris threaten to expose them? The Coburgs are Grand Lodge Masters at projecting their felonies onto innocents who may expose their numerous Crimes against Humanity to the media.

## How Savile seduced the royals: As it's claimed he nearly became godfather to Harry, how the predatory DJ wormed his way into the very heart of Palace life

- Serial paedophile inveigled himself into Prince Charles' life as a mentor
- He was granted unprecedented access across all of the royal palaces
- Even the Queen couldn't resist his charm — or so he liked to claim
- But Diana found him 'creepy' and recoiled after he once licked her hand

RIP Diana, the People's Princess.

The alleged persecution of English citizen Tommy Robinson since *circa* 2017 shines a light on the alleged culture of aristocratic pedophilia in the United Kingdom – England in particular. Tommy Robinson, an anti-pedophilia activist, claims that the British establishment deploys Britain's corrupt judicial system to silence and incarcerate him for fictitious crimes such as Contempt of Court. Tommy claims that their true agenda aims to silence his independent journalism that exposes endemic, systemic child sex abuse and a rape culture that targets white women.

[adventistonline.com/forum/topics/attack-on-freedom-of-speech-press-and-hiding-pedophile-rings](http://adventistonline.com/forum/topics/attack-on-freedom-of-speech-press-and-hiding-pedophile-rings)

Tommy Robinson, English journalist and activist revealing child pedophile Muslim rings and merely reported the fact that there was a trial of 29 accused Muslims including 2 women for allegedly raping, grooming etc. children.

Robinson was arrested on public property and sent to prison after a kangaroo court without his own attorney present and the proceedings were minutes, not hours.

Just on June 12, Robinson was transferred from a relatively safe prison to the notorious Leeds Prison where there is 72% Muslim inmates. That first-night Muslim inmates pounded all night saying he will be killed because there is a fatwah death decree on him from a Mullah.

Guards allegedly told Robinson he is hated and will be killed. Elite globalists/Luciferians from the upper crust including the Royal family have been associated with Pedophilia rings including Jimmy Savile now deceased thank God. The Muslims supply children for both sex and child sacrifices. Luciferianism is rampant in Hollywood, the Music industry and among world leaders including the Clintons associated with the Podesta Brothers and Haiti child trafficking and Clinton Foundation abuses and corruption, as well as the infamous Epstein Lolita Express wherein Bill Clinton flew to the private Island 26 times where sex slaves were kept in cages. Release of Wikileaks Podesta and Clinton emails opened up a whole can of worms on this including PizzaGate.

The rape of justice and freedom of press and speech is rampant in England, the home of Common Law to a great extent. Censorship of the press including Robinson's arrest and Kangaroo court appearance was censored, now lifted. Censorship and press blackout is occurring in US also. Youtube, Google, Facebook and Twitter routinely censor or close accounts of non-violent Christian, Conservative, Activist postings.

This article above places the Tommy Robinson saga into a broader context. Tommy and his many supporters claim that an anti-Christian establishment are engineering religious conflict throughout Britain to cleanse this nation of its cultural and spiritual roots.

## Residential Schools

This page merely mentions a phenomenon that has been witnessed by this researcher hundreds of times in recent years. The details in this unsubstantiated report may offer leads for those who aim to inquire further. The name “William Arnold Coombes” is a suggested research string.

In the second week of May 2014, British soldier Vivian Cunningham was drugged and institutionalized against his will. Apparently, his “crime” on May 6 was daring to ask superiors about Queen Elizabeth’s outstanding arrest warrant.

The order to arrest Queen Elizabeth was issued in 2013 by six judges of the International Common Law Court of Justice in Brussels.

After nearly a year of litigation, Queen Elizabeth and her husband, Prince Phillip, were found guilty in the disappearance of ten native children from the Catholic-run Kamloops residential school in British Columbia. Grieving parents haven’t seen their children since they left for a picnic with the Royal couple on Oct. 10 1964.

On May 10th, the International Tribunal into Crimes of Church and State was asking concerned citizens to demand Cunningham’s immediate release. The ITCCS successfully prosecuted Queen Elizabeth’s kidnapping, along with 50,000 cases of other missing children.

Regiment soldier Cunningham had innocently questioned a senior officer about Queen Elizabeth’s arrest warrant, only to be committed to a mental care unit in Stafford England.

He was injected with an atypical anti-psychotic drug olanzapine under orders of Captain Murrell and Doctors Khan and Sema. The soldier was committed for six months to the St. George Hospital Psychiatric Unit with a “diagnosis” of suffering from an acute psychotic episode.

“Queen Elizabeth had direct involvement in the kidnapping and **death of aboriginal children**” it was reported on the **ITCCS website**. “Royal Family members also appeared to regularly participate in Ninth Circle Satanic Cult rituals at the Mohawk Indian School in Brantford, Ontario, Canada.”

## Harry

Over the past two decades, Harry has possibly attracted more scrutiny and criticism from the mainstream fake news media than all other members of the Coburg Clan combined. Most of this gossip is unfair. It is often out-of-context and is Harry's business. Period. Those who are shocked by Harry's alleged skinny-dipping groupies and drunken orgies among consenting adults need to get a life. Half of London was bombed flat to the ground during the Second War by German Nazi forces. Curiously, Buckingham Palace remains standing. Harry Spencer should show more respect for this sad chapter in English history. Unless of course, this insignia is not meant as a joke.

Whether Harry is or isn't a *bona fide* Coburg bloodline is of no interest to this author, *per se*.

Harry is the Black sheep of a black occult family. In late 2017, Buckingham Palace spokespersons hinted that the Elizabeth II (deceased) doppelganger may not attend Harry's wedding. Something about old age and fatigue. Yet this body double supposedly attended 295 public events in 2019.

[standard.co.uk/news/the-queen-might-not-attend-prince-harry-and-meghan-markles-wedding-a370](https://www.standard.co.uk/news/the-queen-might-not-attend-prince-harry-and-meghan-markles-wedding-a370)

# Here's why the Queen might not attend Prince Harry and Meghan Markle's wedding

For Prince Philip Glücksburg, the grandson bad star birth gossip was all just a bit too much.

Source: The Telegraph (2019a)

As shown above, Glücksburg boycotted the official family portrait of Harry's christening in 1984.

This was a symbolic gesture of Orwellian magnitude. This Count was a fighting-fit 63 years old.

Imagine this tabloid headline: King Charles sends Harry Spencer and the wife to Canada to live.

Such an announcement would attract fierce scrutiny even though Canada is obviously a fake non-sovereign nation that is subordinate to the Coburg crime clan. The evidence is overwhelming.

Such a gesture staged-managed by King Charles would imply that the Coburg's are taking a more overt, hands-on approach to their management of the world's most resource rich nation.

2020 news headline: Harry Spencer quits as a senior royal and flees to Canada to live a quiet life.

This type of media headline, seen in recent weeks, imagines this development as a subtle falling out between Harry and the remaining Buckingham Palace mobsters. This author is yet to see a newspaper that questions whether Harry Spencer is pursuing a covert sinister, imperial agenda.

Harry has publicly implied that he is fleeing to avoid a Diana style assassination (BBC, 2019a).

Public statements by apex elites always push disinformation. What are the Coburgs plotting?

**Wednesday, 8<sup>th</sup> January 2020**

**A personal message from The Duke and Duchess of Sussex**

-

“After many months of reflection and internal discussions, we have chosen to make a transition this year in starting to carve out a progressive new role within this institution. We intend to step back as ‘senior’ members of the Royal Family and work to become financially independent, while continuing to fully support Her Majesty The Queen.

It is with your encouragement, particularly over the last few years, that we feel prepared to make this adjustment.

Source above and overleaf: Harry Spencer, Twitter (2020)

These things are never what they seem in the Machiavellian world of eternal empire expansion.

## **ROYAL COMMUNICATIONS**

**13<sup>th</sup> January, 2020**

### **STATEMENT FROM HER MAJESTY THE QUEEN**

Today my family had very constructive discussions on the future of my grandson and his family.

My family and I are entirely supportive of Harry and Meghan's desire to create a new life as a young family. Although we would have preferred them to remain full-time working Members of the Royal Family, we respect and understand their wish to live a more independent life as a family while remaining a valued part of my family.

Harry and Meghan have made clear that they do not want to be reliant on public funds in their new lives.

It has therefore been agreed that there will be a period of transition in which the Sussexes will spend time in Canada and the UK.

These are complex matters for my family to resolve, and there is some more work to be done, but I have asked for final decisions to be reached in the coming days.

Outcomes below are based on serious media research. This palace plot theory is not a joke.

## HAARP The Coburg 666 days plan?

**United Nations Precinct:** United States of North America

**Capital:** Ottawa

**Operator:** FEMA

**Puppet President:** Justin Trudeau-Castro

**Domestic Overlord:** Crown Prince Harry Spencer

**Sovereign :** King Charles, House of Saxe-Coburg & Gotha

The fake fallout between Harry and his palace is Shakespearian theatre. Harry plans to reinvent himself as a rebel People's Prince. A lovable lad fit to lead the United States of North America. On the tax-payers' dime, of course. Serfs' taxes will fund the Ottawa Palace outpost. Treacherous.

Setting Harry up as any type of regional commandant highlights the depletion of the Coburg crime clan's apex ranks. Andrew's career is over. Over before it began. Elizabeth II died years ago. Philip's life hangs by his next Carbon, Hydrogen, Nitrogen Oxide fix thread. Sweetie pie Edward is more interested in memorizing Shakespearean lines than lining up a Guard of Dishonor. This may explain why 69 years old Princess Anne represented the fading Buckingham Palace on December 4, 2019 at a NATO summit in London. For millions, divorcées such as Charles and Camilla are ineligible heirs. That leaves William. Does he know who assassinated his mother? Probably. Was it a close Coburg? Buckingham Palace is heavily divided and in open disarray. Its only likely successor probably knows daddy despised mommy. A Shakespearean tragedy. Poetic justice.

It is an objective statement to say that it is widely reported that Harry is no better than a C minus intellect. So called 'intellect' is notoriously difficult to measure. Some people who may be a D minus, may be savvy streetwise sailors. They can thrive to the max in any complex context.

## Prince Harry, a weak student who was helped to cheat in exam, says ex-teacher

**Former teachers of Prince Harry at Eton College helped him cheat in his A-level art course because he was such a weak student, a tribunal was told yesterday.**

Former teachers of Prince Harry at Eton College helped him cheat in his A-level art course because he was such a weak student, a tribunal was told yesterday.

One teacher allegedly prepared explanatory text to go with images produced by Harry while a second helped the prince insert the lines into a project.

Harry is easy to manipulate and humiliate. He does whatever public hand signs his masters say.

## Gnostics

Perhaps it is true that Harry Spencer is loyal to a Black Sun entity beyond Buckingham Palace.

Those who watch this mass discussed public event via motion picture video, will likely conclude that this hand gesture is not random, accidental or spontaneous (*e.g.* see AP, 2017). This juvenile hand signal is a message of who Harry Spencer serves or pretends to support. Bear in mind that Machiavellian mobsters routinely feign loyalties to mole themselves deep into enemy burrows. Some of them like to daze and confuse We the Peoples just for the sake of it. Because they can.

Some weaklings are not able to carve out their own identity and thrive as an individual.

Sad.

## **America *et al.***

In the second half of 2016, the Saxe-Coburg & Gotha crime family crossed the wrong enemy. The patriotic arm of America's mighty armed forces – which is the majority, were the main backer of the Trump MAGA, America-first revolution. King Charles and his cronies knew exactly what the Trump movement stood for – the long overdue restoration of America's sovereignty. America has been run and raped by European banking royal crime families since the installation of the unconstitutional, parasitic, usurious, criminal Federal Reserve in 1913. They have been aided and abetted by the subversive faction of the Central Intelligence Agency since its inception in 1947.

In a nutshell, the Drain the Swamp mantra is a military takedown of elite: murderers, child sex traffickers, pedophiles and corporate thieves who have raped and pillaged America and the globe from DC for decades. Have you noticed how many DC swamp are dropping off nowadays?

The military always know who the traitors are. Always.

Is the global swamp being drained at ultra-high levels? Absolutely yes. One clue to look out for are the national 'heroes' buried with a crinkled American flag. No disrespects intended for this glorious color rich institution that is intended to serve as a beacon for a freer, better world.

## Christopher

In 2016 and 2017, the anti-Trump Machiavellian Coburg Clan showed its true colors when it deployed stooge agents to sabotage Donald Trump's Presidential candidacy. The Christopher Steele fake dossier scandal is public knowledge. The facts are easy to confirm via simple searches.

Australia's Ambassador to London, nobility bloodline Alexander Downer, conspired with former British intelligence agent Christopher Steele to fake the Trump-Russia collusion hoax. Duncie Downer was Australia's Ambassador to Britain. He ultimately reports to the British Monarch.

[thehill.com/376858-australian-diplomat-whose-tip-prompted-fbis-russia-probe-has-tie-to-clintons](https://thehill.com/policy/foreign-affairs/376858-australian-diplomat-whose-tip-prompted-fbis-russia-probe-has-tie-to-clintons)

The Australian diplomat whose tip in 2016 prompted the Russia-Trump investigation previously arranged one of the largest foreign donations to Bill and Hillary Clinton's charitable efforts, documents show.

The FISA-Gate wiretap scandal is common knowledge among mainstream and alternative journalists who follow American political developments. The absence of FISA-Gate in the fake mainstream news media accounts for nothing. When FISA-Gate is declassified, its political repercussions will be thermo-nuclear in the metaphorical sense. Apex DC operatives in several agencies attempted a coup d'etat against the democratically elected King from Queens.

[nationalreview.com/2018/02/fisa-memo-scarier-watergate/](https://nationalreview.com/2018/02/fisa-memo-scarier-watergate/)

# FISA-Gate Is Scarier Than Watergate

High treason. Literally.

## London City

London is one of England's 33 counties. Like all counties, it has its own Police Constabulary, the famous London Metro. London Metro has no jurisdiction in the City of London. This city is a law unto itself, as the famed idiom goes. The City of London has its own Police Service.

[cityoflondon.police.uk/about-us/Pages/default.aspx](http://cityoflondon.police.uk/about-us/Pages/default.aspx)

Policing the Square Mile brings with it particular challenges, quite unlike any other policing area within the UK.

Among some well-informed inquiring researchers, it is debatable whether the City of London, which is a corporation, is part of the sovereign nation, the United Kingdom.

## The medieval, unaccountable Corporation of London is ripe for protest

*George Monbiot*

[theguardian.com/commentisfree/2011/oct/31/corporation-london-city-medieval](http://theguardian.com/commentisfree/2011/oct/31/corporation-london-city-medieval)

Working beyond the authority of parliament, the Corporation of London undermines all attempts to curb the excesses of finance

The *quasi* sovereign status of the City of London is consistent with its unofficial status as the global Capital of Finance. Global banks that have been charged with felonies such as money laundering and fraud in other jurisdictions, escape Scot free in the mysterious City of London. HSBC Bank is an example. It was prosecuted in America in recent years for felony finance crimes.

## Layoffs

This author does not wish economic failure on London, England or the British. He has worked as a financial officer in this city alongside many champion Brits and others. On the other side of the coin, it is inevitable that Britain will lose hundreds of thousands of finance jobs, and roles that feed off this mammoth parasitic sector in the short- to medium term. Over the past century or so, London has been the financial capital of a global criminal banking empire. The global fiat money system is on the brink of collapse. The true value of every stock is less than 10 cents in the dollar, compared to their listed value. Several high street banks, such as Deutsche, are borderline insolvent. They rely on multi billion dollars digital reserve loans that are deposited into their accounts overnight. Around half of all Western pension funds are technically insolvent.

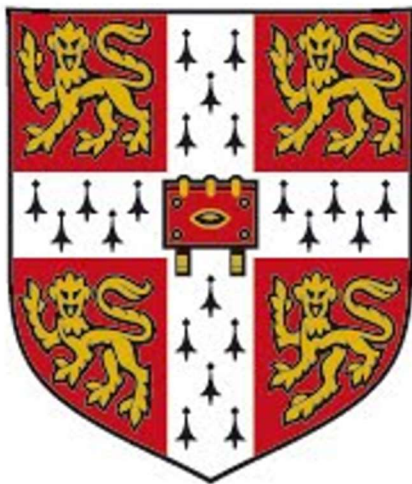

Under the *status quo*, two outcomes are likely to transpire in Britain prior to 2025. At least a million people will lose their homes. Parasite banks will foreclose default home loans for pennies. As always, the Saxe-Coburg & Gotha crime family will profit handsomely from this long-planned engineered collapse. Their holdings of foreclosed homes will increase by trillions of pounds.

Like America and other former manufacturing powerhouses, the Coburgs outsourced the bulk of Britain's manufacturing base to slave labor communist authoritarian states such as China. An economic collapse won't affect the trillionaire lifestyles of the Coburg crime clan. They own British Petroleum, the Bank of England, much of Boeing to merely list a few jewels in their crown.

A paupers' pitchfork brigade or domestic military intervention may be the only antidotes.

## IELTS

The University of Cambridge is the Chief Architect and principal enforcer of the International English Language Testing System human trafficking crime racket that has scammed several billions of dollars from international students from India and China since *circa* 2000. The rigged IELTS covert aptitude test purposefully sets most test-takers up to fail. Most international students who graduate in Canada and Australia are sent back to their home country after they receive their degree conducted exclusively in English. IELTS claim that these students cannot speak English sufficiently to engage as professionals in the domestic work sector. The fake IELTS scam exam is authored by and underwritten by the slimy Cambridge University cash-harlot brand.

**CAMBRIDGE ENGLISH**

Readers may learn more about the global lawsuit against the IELTS human trafficking crime syndicate at [www.ielts.agency](http://www.ielts.agency) website.

The IELTS cartel have inflicted damages of *circa* USD 100 billion against deeply indebted

international students from India, China and other countries.

The IELTS fake test shamelessly prostitutes the shaky Duke of

Cambridge brand. The future King of England – William Coburg, is ultimately the chief sponsor of IELTS's rotting global 'reputation'. The ball is in his royal court. Diana is watching.

## Australiar

No diploma mill harlot in the British Commonwealth has done more to besmirch the reputation of Australia's university exports than the cash glutton University of Sydney crime campus.

As shown in the image below, the University of Sydney is the global public relations face of the IELTS human trafficking crime syndicate that targets Asian and Arab international students who invest their families' life savings in an Australian education and promised migration opportunity.

The University of Sydney blatantly prostitutes its established global brand to promote trust in IELTS's secretive, fraudulent academic assessment regime. The image above shows that the University of Sydney astutely identifies youthful Asians as its most profitable scam demographic.

This false image above is devious. Innocent actors are paid to sit and smile. The vast majority of IELTS's clients are scam victims who experience poverty, debt and depression for repeatedly failing their writing test by 0.5 due to examiner fraud. The reference to "3 million" above is an exaggeration. IELTS does not test 3 million smiling clients each year. It uses its monopoly power to scam fail *circa* 500,000 Asian students approximately 5 times each per year. Vile. Evil.

The University of Sydney crime catacomb was modeled in the Cambridge University demonic imperialist tradition. This bizarre, shocking fact hides in plain sight for anyone with a working eye.

This money-grubbing, fake, easy university must decide if it wants to morph into an institution

of epistemological inquiry or retain its filthy status as a replicator of imperial white male privilege that slave trades Asian international students like cattle. Demolishing the Harry Potteresque Main Quadrangle haunted hell house would be a positive first gesture.

## Abdication

Many commentators speculate that the Saxe-Coburg & Gotha *Regina* (deceased ) body double will officially retire from duties and live out the rest of her 'life' quietly in a Scottish castle away from the public eye. This Machiavellian sleight-of-hand is right up the alley of the Coburg crime clan. These mobsters, who are barely clinging to power, are deeply paranoid that their 53 slave states might declare independence once it becomes official that Elizabeth II dropped dead.

Retiring the Coburg doppelganger may also quell senior British military leaders who are pushing for the Coburg crime clan to be prosecuted for numerous Crimes against Humanity such as child sex trafficking, ritualistic child sacrifice, genocide, drug trafficking, money laundering, *etcetera*.

Given that virtually all mainstream history books are fake, it is difficult to ascertain the exact longevity of the Anglo-Germanic-Nordic mafia crime family that occupies Buckingham Palace. The Coburg crime clan and others like them have long used the public education system as indoctrination mind-control centers. It is possible that this clan is nowhere near as old as they claim. Please note the subtle message of this article dated 2018: The Royal family *started history*.

[express.co.uk/life-style/life/910045/how-did-the-royal-family-start-history](https://www.express.co.uk/life-style/life/910045/how-did-the-royal-family-start-history)

EMILY HODGKIN

THE ROYAL FAMILY has had a long and bloody history in Britain. The current monarchy consists of Queen Elizabeth II and her immediate family. But what is their history?

PUBLISHED: 20:15, Thu, Jan 25, 2018 | UPDATED: 20:30, Thu, Jan 25, 2018

Faking the longevity of this brutally murderous crime clan imparts an air of invincibility and inevitability over their past, present and future rein. That is most likely why they have done so.

## Nuremberg 2.0

The Nuremberg Trials after the Second World War were a show pony farce. Nobody ranked higher than the puppet German Parliament was prosecuted. European Royal crime families, the fake Vatican executive, the Venetian Dark Nobility and Rothschild banking crime family who engineered this war, and profited handsomely from its reconstruction, were never prosecuted.

Epstein bosom buddy Andrew clearly has a case to answer. No minor in the British Royal crime family is culpable. This author has genuine pity for sad sweetie pies like Edward. No doubt there are others in his clan who ostensibly never thrived by wearing tacky, fake military uniforms. Ed was obviously coerced by Lizzie into a phony, face-saving marriage that the press simply ignores.

Most people have at least one toxic, criminal relative. These innocents do not support their relative's high crimes. Some royals may opt to publicly confess and explain the crimes of their family with remorse and in good faith. They may be surprised how many people will partially

forgive them. Other royal hardliners will likely forever plot their return from a banished land such as Gough Island. Assuming they *survive* the public trial. Some genocidal warmongers are beyond reconciliation. Soul scraping pirate patch Philip Glücksburg and his ChRome addiction, child trading, opium trafficking, money

laundering empire is beyond saving. Literally. He obviously hangs by a thread. Please, Count Dracula do the world a favor and move on. Your satin caped horned master awaits you, boy slave.

## Crimes against Humanity

Crimes against Humanity are the most serious atrocities known to mankind. Examples include systemic child sex trafficking, mass child sacrifice, genocide, warmongering, mass modern day slavery and cruel and inhumane punishment. The opinions of this author remain merely that – the thoughts of one person. This author suggests that the Coburg Clan have most obviously engaged in warmongering for at least the last two centuries. Fifty-three nations did not voluntarily surrender their sovereignty to some monarch on the other side of their world. They were invaded by brute murderous force. This crime clan engage in the classic imperial empire playbook practices to preserve their slave states: blackmail, bribery, extortion and mass murder.

Researchers may locate thousands of sources that discuss the Coburg's global criminal empire.

The Coburg crime clan should be tried for Crimes against Humanity away from their inbred cousin's fake International Court of Injustice (Den Haag) and outside of Britain. ## Royal butler trial thrown out after intervention by Queen

Royal butler Paul Burrell today thanked the Queen after he was sensationally cleared at the Old Bailey of stealing hundreds of Diana, Princess of Wales's belongings.

In an extraordinary and unprecedented development, the 12-day-old case collapsed when it was revealed the Queen had come forward at the weekend with crucial information.

Naturally, the Coburg crime clan are immune from offences such as tampering with evidence, perverting the course of justice, contempt of court and making false statements to police.

## Kleptocracy

The year is 2020. How do you think the citizens of Australia would react if they knew that the Coburg crime clan owned Australia's mineral resource mines? Yes, exactly. And the Coburgs have always known this. Royal crime families have a long history of inserting a thespian public relations dynastic CEO front man/woman into the limelight. Fake news promotes them as genius entrepreneurs. Royal controlled history books paint the picture of the all-conquering, innovative pioneer. Solo Cecil Rhodes and South Africa's diamond mines as a classic. Lizzie's loot all the way.

Virtually no one in Australia ever enquires about how mining magnate Gina Rinehart became the world's wealthiest woman. According to Wikipedia and its fake friends, she inherited those West Australian mines from single man owner, mining magnate Lang Hancock. Daddy. End of story. Not quite. One man cannot build a fortune of about USD\$20 billion from mines as a solo agent.

One the balance of probabilities, Lang Hancock, and his daughter are merely thespian phony fronts for the Saxe-Coburg & Gotha mafia crime family. No doubt this foxy babe is paid well for her acting. Why do you think that governments collect *royalties* from the proceeds of mines?

A common myth among the uninformed is that Australia voted in 1999 by referendum to remain

subjugated to the British Monarchy. This nation supposedly voted "NO" when asked if it wanted to become a Republic. Anyone who has ten seconds to read the referendum question will see that this simple question was never put before the Australian people: 'Do you wish for Australia to become a Republic – YES or NO?'.

The devious Coburg crime clan devised a question that said this to the Australian people – do you

want to switch from being a Constitutional Monarchy to a Republic where you cannot choose your President? Australians voted NO as they wanted to choose their President – like America.

The Coburgs and their supporters claim that Australia was asked if they would 'Like to become a Republic nation' and they answered 'No'. This toxic falsity is consistent with the misinformation and damned lies that are communicated by Buckingham Palace decade after century.

Few epitomize the insatiable greed and arch corruption of the Coburg crime clan more than the disgraced Sarah Ferguson. This money-grubbing madam was caught selling 'access' to Jeffrey Epstein buddy Prince Andrew for 500,000 pounds Sterling. Andrew Coburg sat on boards of global corporations merely because of his name and connections. Never because of talent or work ethic.

Sarah Ferguson, the former wife of the Queen's second son, Prince Andrew, has apologised for a "serious lapse in judgment" after she was exposed by a [News of the World](#) sting operation in which she promised to obtain access to her former husband in return for £500,000.

In probably her most personally damaging mistake throughout a somewhat gaffe-strewn career, the Duchess of York appears to have fallen for the Sunday newspaper's undercover reporter Mazher Mahmood, who specialises in exposés. He revels in the nickname of the "fake sheik".

Numerous companies have dumped child sex trafficking associate Prince Andrew Coburg from their boards and sponsorships. This author was surprised to discover that dozens of organizations paid Coburg wads of cash to merely attend plastic photo opportunities, cut ribbons and other light duties. No wonder she is known as Freeloader Fergie. Turds of a feather defrocked together.

## Committee 300

In the world of professional research, some unproven phenomena are important purely because of the overwhelming quantity of references to this topic. The notorious Committee 300 fits in this category. The Committee 300 does not officially exist in so-called authority spaces such as .gov websites and the vast bulk of mainstream corporate fake news media such as CNN.

What is this infamous Committee 300 that exists in thousands of spaces, such as blogs and independent investigative journalism websites? It depends who you ask. The dominant theme is that the so-called 300 members of this Committee are highly influential people in the overlapping worlds of royalty, business family dynasties, government, corporate governance, the military industrial complex, Hollywood and media. Some claim that this Committee reports to the Venetian Dark Nobility, the Council of 13 or King Charles. The mysterious article in Annex 1 claims to list the 300 members of this Committee. These 11 names, cited *verbatim*, are interesting:

Simeon of Saxe-Coburg and Gotha; Edward (Prince) – Duke of Kent; Edward (The Prince) – Earl of Wessex; William (Prince) of Wales; Andrew (Prince) – Duke of York; Anne – Princess Royal; Michael (Prince) of Kent; Philip (Prince) – Duke of Edinburgh; Charles – Prince of Wales; Richard (Prince) – Duke of Gloucester; Camilla – Duchess of Cornwall.

The absence of adult aged Prince Harry Spencer is an interesting observation. The dead Saxe-Coburg & Gotha Matriarch is the symbolic Head of this Committee in this article dated 2016. The list in Annex 1 is partially out-of-date. “Beatrix (Queen)” was extracted from this role by the Council of 13. A small number on this list are now deceased. David Rockefeller Sr dropped dead shortly after POTUSA 45 assumed office. America’s 41<sup>st</sup> President, H.W. Bush is no longer alive.

## Malthus

So-called English 'scientists' dominate English language narratives about fundamental aspects of bioanthropological history. This is no coincidence. The Coburg crime clan have long held exclusive privilege to decide which thespian pseudoscientists puppets they will knight. Charles Darwin is code word for the royals' anti-creationism agenda. Sir David Attenborough is a BBC ass actor.

According to history books – most of which are fake, Thomas Robert Malthus was an eminent English theologian, economist and demographer. To many, Malthusian is code word for the royals' genocidal human depopulation agenda. Engineered warfare, human made earthquakes, toxic vaccines and caustic synthetic foods are royal agents of mass murder known as 'eugenics'.

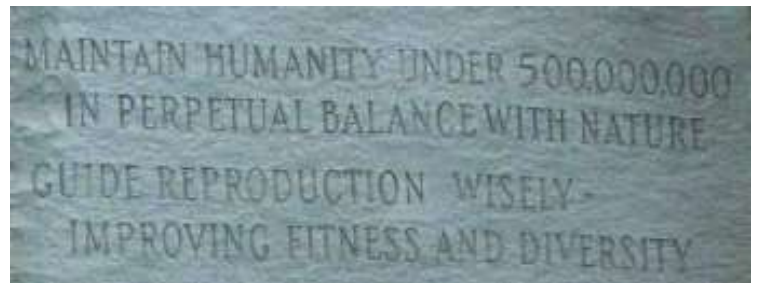

Eugenics promoters talk about the lack of farmland and energy to sustain the forecast human population. This author modestly

states that

he has

viewed the terrain of about 60 nations states via low flying aircraft. Like many

others, he notes that more than 90% of all fertile lands that he views from the ground and in the air is vacant. Eugenics is about maintaining an optimum population size that royal families can control as their slaves. This is probably around 500 million people. Scientists who talk about unlimited free energy are censored, locked in a mental asylum or assassinated by Committee 300 agents such as the toxic Travistock Institute and Chatham House. *Above: Georgia Guidestone*

## Kremlin

The following Russian names appear on this list shown in Annex 1. These names, *verbatim* are:

Abramovich, Roman Arkadyevich; Friedrich, Georg – Prince of Prussia; Prokhorov, Mikhail;

Vladimirovna, Maria – Grand Duchess of Russia; Ibragimov, Alijan; Gorbachev, Mikhail.

Britain has a long history of meddling in Russia's internal affairs. And *vice versa*, of course. This

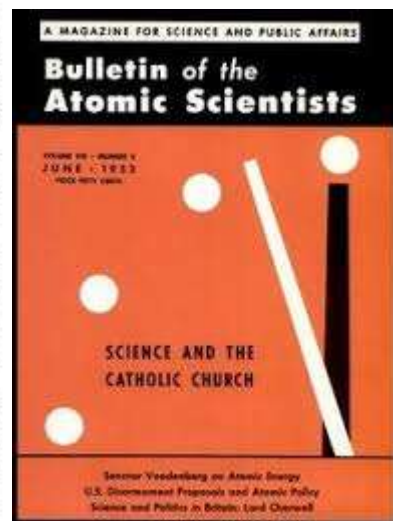

*LA Times* article dated 1987 is about Mikhail Gorbachev. Coincidence, code, both or neither?

[latimes.com/archives/la-xpm-1987-11-01-mn-18009-story.html](https://latimes.com/archives/la-xpm-1987-11-01-mn-18009-story.html)

Members of the Central Committee, the party's 300-member policy-making group, objected to Yeltsin's speech, Lukyanov said at a news conference. Other sources said Ligachev responded by accusing Yeltsin of doing a poor job to improve Moscow city services.

Russia's Committee 300 is a remarkable coincidence. Author's surname: Bolton (1988).

At the January 1987 plenum of the Central Committee, General Secretary Mikhail Gorbachev proposed reviving the conference format, in a blockbuster speech that portrayed "democratization" as an essential response to the emergence of "crisis phenomena" in Soviet society. Five months later, the committee agreed that a nineteenth party conference would review the overall progress of Gorbachev's perestroika (restructuring) and consider political changes that would complement economic reform. In addition, it was strongly implied in the press, flatly stated in private conversations by well-placed Soviets, and widely assumed by Western observers that the conference would facilitate some changes in the Central Committee, the body of roughly 300 officials that passes on party policy several times a year and to which the inner leadership is formally accountable. The present

Perhaps the Kremlin report/ed to the Committee 300. Fake news stories about the Russia-

America nuclear war tensions justified trillions of dollars in arms sales and kept the world in fear.

## Counts

Count Dracula is a mythical figure from Bram Stoker's 1897 gothic horror novel *Dracula*. Gothic sounds like Gotha. Many of the best fairy tales were crafted in gorgeous Germany. Cinderella and Goldilocks. Hansel and Gretel – wasn't that one about kiddies, candy and a wicked old witch? This author advises people that any video evidence can be faked. Some raw amateur video footage looks real. Our instincts guide us to believe that it is probably true. To this author, this naked teenage child escaping via a window at Buckingham Palace in 2015 looks authentic in video.

He fell from these sheets. RIP. Fake news went into damage control. Their presstitutes dismissed this viral Twitter video as a fake. For example, see *Daily Mail* (2015). Take context into account. Randy Andy, Rolf Harris and Jimmy Saville were once staple fixtures of this Pedo Porn Palace.

It is curious is that globally famous mainstream newspapers such as *The Independent* dare to publish headlines, such as the one shown below. This title apparently poses a mocking stance as

opposed to a tone that is factual, informative or something like this category of adjectives.

**Now**

According to orthodox history books, of the variety not taught in schools, the incestuous House of Habsburg survived from *circa* the 11<sup>th</sup> Century CE to *circa* 1780 CE. Centuries of inbreeding created an inept, doomed family of warped mutants of below average intellect. Sound familiar?

Perhaps just as little as a hundred or so people truly understand the personas, intellects and true capabilities of the Saxe-Coburg & Gotha inbred warlords. Don't be fooled by their Eton gifted credentials or their inspiring broadcast speeches. This copy is authored by the best word weasel wizards that trillions in wealth can woo. The Queen's (and her body double's) Christmas messages are always recorded prior to the event. They are rehearsed, edited and sequenced as many times as required to deify the genius of the computer generated imagery of *Regina's* doppelganger.

Andrew's disastrous public relations interview with BBC journalist Emily Maitlis on 17 November about a 17-years old sex slave finally awoke the masses. This privileged psychopath showed no empathy for his sex slave or his public friendship with a global child sex trafficking mafia mobster.

The financial fall of the *Londinium* money magic madhouse is inevitable and imminent. This author, who loves all nations, wishes no harm on England's champion chumps. Publicly airing the truth about this inbred pedophilia House of Horrors will liberate beautiful Britain from Nazi rule.

This diagram summarizes the public status of the most senior members of the Saxe-Coburg & Gotha crime family as at January 2020 with reference to their eligibility to inherit the vacant monarchy. It aims to illustrate that there is no obvious heir apparent for the deceased Matriarch. William is the only person who is fit to publicly inherit the stuffy sovereign. This succession may further publicly humiliate *de facto* King Charles who has waited decades to sit aloft this lavatory.

William Coburg is scandal free. The arch question Britain must decide is this – do you want to be ruled by any foreign inbred sovereign? The year 2020 may be the time to seize the BREXIT magic moment. Benign monarchs die. After that, inbred crime cousins may rule the roost for millennia. History proves this beyond doubt. This author, who was raised in the Commonwealth, knew from childhood that this clan was sinister. I don't need to be ruled by trillionaire warlords living on the other side of the world who visit a few days every decade for a cheap photo opportunity.

The unholy trinity is going to collapse sometime in the next few years. I talk about the Maritime Law Roman Empire that rules the West from the Vatican. Why do you think that it is called the Holy See? The Law of Sea ran the West prior to the Trump rebellion of 2017 (Jericho, 2019a).

The Coburg Clan reports to this Caesar. Kings and Queen's abound. There is but one Caesar. This author's open-access book series addresses this unholy Roman Trinity. Millions of cushy jobs in blissful Britain rely on the City of London's money laundering rackets and IELTS human trafficking. This easy mafia money is about to run dry. Britain is in trouble. She has no major manufacturing base. Her strong Pound Sterling enabled (past tense) her to import food and energy on the cheap. This unfolding backdrop may cause many millions of Brits to take note, for the first time ever. Buckingham Palace's foreign freeloaders live trillionaire lifestyles as masses fight foreclosure.

Other listings of the Committee 300 exist. You may find these via online searches. Most of these seem to be around 85% to 95% similar as the list shown in this annex. For many, the Committee 300 mostly overlaps with the notoriously secretive Bilderberg Group which meets annually in the Netherlands. This group was established in 1954 – the year after Elizabeth II (deceased) Saxe-Coburg & Gotha assumed the Queen of England title.

The following five pages are *verbatim* full copies of two letters authored by Roseanne Barr in 2012 in her capacity as the registered candidate running for the Office of President of the United States of America. She represented the Peace and Freedom Party with honor.

Documents overleaf are from her account at the academia.edu domain. Roseanne's video dated January 2020 confirms her authorship (Barr, 2012; 2020).

Roseanne's stellar career has placed her on the Deep State frontline since the 1980s. This includes 10 seasons acting and co-producing on her global smash hit TV series *Roseanne*. She hosted her syndicated TV program *The Roseanne Show* for 281 episodes. She is Hollywood's Arch Sentinel.

Roseanne is the solo super-celebrity who fearlessly shines a light on the grave issues outlined in this book. She is the lone voice of mainstream exposés about the MK Ultra mind control regime that has enslaved humanity for seven decades. Barr's last Hollywood movie in a lead role was *She Devil* in 1989. Long blacklisted by Tinsel Town, Roseanne paid a hellish price for her testimonies.

Few trailblazers are worthy of comparison. Such soldiers may salvage the sullied standing of the Nobel 'Peace' Prize. Oslo, are you listening? Please repay humanity's debt. There's time!

Greetings President Putin:

My name is Roseanne Barr,

I am the Peace and Freedom Candidate for President of The United States of America in 2012. I write to you to explain the crisis in Syria seen through the Westphalia view of sovereignty.

President Obama is a puppet for the House of Windsor, specifically The Sitting Queen of England, The House of Rothschild, and The Saudi House of Saud. As you may know the British Empire created Saudi Arabia to destabilize the Islamic Middle East for geopolitical purposes.

The Peace of Westphalia 1648 is the principle that was supposed to end all geopolitical wars and religious conflicts. The Queen of England, The House of Rothschild, and The House of Saud are fundamentally opposed to principles of Nation States and National Sovereignty.

President Obama, most of the United States Congress, and the people of The United States are totally controlled by the British Empire. Because of our propaganda media the American people for the most part don't know that Barack Obama is supporting terrorist groups in Syria. If they knew, Obama would be impeached.

Contrary to popular opinion, the British Empire didn't die with World War 2. The Empire continued using NATO in the west and the Warsaw Pact in the east. When the Soviet Union fell in 1989, the House of Windsor saw an opportunity for the British Empire to return to its 19th Century glory.

Barack Obama under direction of the Throne of England has a policy of Thermal Nuclear War and massive population reduction, in the tradition of Malthus, and the modern eugenics movement.

Your position on Syria is correct. You are protecting the principle of sovereignty and you are a direct challenge to the British Empire. Contrary to Senator John McCain's beliefs, America needs cooperation with Russia. We must finish the high-speed rail line across the Bering Strait. We must work together for the Strategic Defense of Earth. I urge you to reach out to the American People directly and speak to us regarding our current fight against the British Empire.

The American People need to know whom Obama answers to, how he serves a foreign power. America needs to be reminded of our fight against British Imperialism. We MUST have an economic system of sovereign nation states in the Westphalia Tradition.

[academia.edu/5062717/Greetings\\_President\\_Putin\\_My\\_name\\_is](https://www.academia.edu/5062717/Greetings_President_Putin_My_name_is)

America had a good relationship with Russia in the time of President Abraham Lincoln. It is time the American People end the treasonous "special relationship" with The Queen of England, and her International banking systems. I ask for your help with this endeavor. America is under intellectual siege, as all the old 'Royal' anti-semitic canards are being trotted out again! We mean your nation no harm.

I hope this letter finds you, and finds you well.

Sincerely,

Roseanne Barr Peace and Freedom Party

Dear President Barack Obama,

I ran against you in 2012-I said that you are the First Corporatist President of the USA. I ran against you because you took more money from Nuclear Industries than any other candidate, and that alone made me think that you were/are a dangerous person. Doctor Cornell West said that you are the "black mascot of Wall Street oligarchs and a puppet of corporate plutocrats." It is true that you have been a good servant to the Queen of England and her Malthusian ideology. The countries you have chosen to bomb via drone attacks are the same places that have the highest birth rates! This fact is not an accident. Your attempt to get us into the Syrian war via your Donmeh Saudi Masters, was luckily stopped by the American People and General Martin Dempsey.

Lets look at your accomplishments since becoming President:

1. Scaring Hillary Clinton into submission by having her accept your Fascist Post Westphalian R2P Foreign Policy.
2. Turning Libya into a haven for Jihadi Al Qaeda Terrorist
3. Openly arming and supporting Al Qaeda Terrorist in Syria, which is an impeachable offense.
4. Creating the IPAP or IPAB which is similar to Adolf Hitler's T-4 Health Care Program in Germany. The elderly, impaired, or sick don't have a reason to live according to your health care policy. I wonder what you said to Dennis Kucinich to get him to sign on to your fascist health care policy?
5. In 2008 you signed onto the 700 Billion Dollar TARP Program and stopped any attempt to reinstate Glass-Steagall.
6. On the vote to repeal NSA spying you sent your cabinet secretaries to lobby Congress which is a violation of the Hatch Act.
7. On the recent Supreme Court Case on Affirmative Action you didn't bother to file an Amicus Brief showing that you don't give a damn about black people or anyone else.
8. Did you know the C.I.A. did a psychological profile on you along with Dr. Vaknin? They came to the conclusion that you are a crazy ass Narcissist.

9. With your economic policies you have managed to increase the wealth disparity in America to the highest level since 1928 with the middle class becoming extinct.

You do these horrible things because your handler, Valerie Jarret is a servant to the The House of Windsor, and she directs your every move. So, in effect, you work for a foreign power and on that basis alone you should be impeached. Let us look forward to what you will try to do, next, if the American people are too stupid doped and duped to stop you:

First you will strong arm the Liberal Democrats to capitulate and put Social Security and Medicare on the chopping block.

- A. You will accelerate the "bail in" program with Wall St. and start stealing people's money in a manner similar to Cyprus.
- B. You will continue to crush public education, turning every public school into a charter school, institute merit pay, and tie teacher salaries to Bill Gates and Eli Broad test scores.
- C. You will continue the 'neo liberal' policies of George W. Bush and start to force cities to sell their assets, and begin the fascist privatization schemes we see in Detroit.
- D. I don't need to mention the birth certificate because your mother and grandfather worked for the CIA. Enough said.

Now the good news: People are waking up to your fascism. It was a good strategic move for the Queen of England, The Rothschild's and the CIA to put you in power because you would be able to do one thing: Put black people to sleep. African American's who should be calling for your imprisonment are put off guard because they are in disbelief that a person of your hue could be so evil. You have made cowards of liberal stalwarts Rangel, Waters, and Conyers, James Clyburn, Sheila Jackson-Lee, and Barbara Lee. The time will come soon when the American People will realize that you work for EMPIRE, and not America, and that you want to 'reduce specific populations' like your idol Malthus. When and if the Americans do snap out of their drugged duped religio-showbiz mind bindings, and demand your ouster, oh, what a day that shall be!

Some may even call it the Day of The Lord! On that day, the Congress will become more afraid of the American People than they are of your FBI, NSA, and CIA. You and Wall St. will no longer be able to blackmail the Congress into submission. You will not be allowed to give away any more pensions to Wall Street Vampires. You will not come for Social Security, at least not silently, at least not while I am still relatively alive.

On that Holy Day, when the scam in all of its human flesh fueled glory is exposed-The grand theft of public money being redistributed into private pockets... When that Day happens, you will take your Nixon stroll into the twilight of history. In the meantime, sir I continue to pray every day of my life for your very soul. You Sir, are capable of greatness. You could be as David to The Goliath: Royalty and It's Rothschild-Vatican Banks. Dust off that slingshot, son, and get busy. Americans are dying in their own

homeland due to Insurance company scams. Medicaid for all, Sir, and now! It is far cheaper in cost than endless war and endless war crimes that destroy entire Tribes, villages, that set each upon each other to fill Royalty's Banks, which are based on war slavery and usury. Unfortunately for the Few at the top of the Pyramid, The Light of Reason will intervene, and not on their behalf. Power consolidated must be dispersed. That is the First Law of the new International Common Law. Otherwise and formerly known as The Constitution of the United States of America. To end Royalty's Greedy clutches upon the American Tax Payer, a new third party, The 'Green Tea Party' of the United States, a unique American party, not owned by Bankers, but by the People themselves, as a Public Corporation, duly named and executed legally, the Corporation of the Citizens of The USA. We are 350 million strong. We have far more numbers, than both main parties put together, but you, THE FAILED EXECUTIVE OF A FAILED SENATE have passed laws which disenfranchise women, and working classes/people of color in key Republican States. Your friends, the money geniuses have disenfranchised your own base voters. You have disenfranchised your own tax base! That is PROOF that you serve a foreign power. It is pure folly that you have betrayed those who do the real work in this country, that of bringing food to the tables of the American family, and those who serve in our Military Forces to preserve the Freedoms of these self same people.

Stand Up for Peace in Israel. Stop trying to increase Haliburton's stocks instead. Make steps to peace between Israel and Palestine now. I advise you to use the powers invested in you to serve the people who elected you to end the Bush Doctrine. Restore a true capitalistic system-one in which surpluses are shared, not hoarded by the rich. Think about it. May I remind you, Sir, that serfdom is anti American.

You have the power to nationalize the Federal Reserve. I suggest you do that. It's easy as pie. Just do it, sir!

Allow me to be your Eugene Debs-do as FDR did years ago-WRITE DOWN THE DEBT in order to save our planet, our International Family, and Mother Earth Herself. Regulate capital to serve the needs of the many, and no longer of the few. Save yourself, and your soul before you are indicted by The International Tribunal of Common Law Courts for crimes against humanity.

## Vignette

It may surprise readers that this book is about this author's love for Britain's champion people, culture and homeland. I lived there for three years in the 90s. I do not possess an ideological dislike of royals. They simply don't work. Literally. Eliza Doolittle. The truth always hides in plain sight. When was the last time you saw any Buckingham Palace barbarian booked before a bobby?

For most of my life, I thought that homeschoolers who were fiercely anti public schools were a bit extreme. Something about corrupt *curricula* they claimed. I vividly recall attending elementary schools in Australia during the 70s and 80s. Tidy, leafy campuses, enthusiastic teachers and plenty of resources. Educators constantly reinforced the notion of excellence from endeavor, using celebrity role models such as Carl Lewis as shining exemplars. A hard-working, gracious, self-made athlete who tirelessly worked his butt off to become the best athlete of his generation. Great example, teachers. As I approach 50, I finally understand the wisdom of homeschooling.

Students at Challa were also programmed to worship the Saxe-Coburg & Gotha crime family. No royal achievements were cited. Something about them as leaders of the Commonwealth, of which Australia was a member. I recall our school lining up for an hour on the street in 1981 to fetch a flash of Diana & Charles passing by in their Bentley. A glimpse of delectable Diana is a fond memory. We were brainwashed to blindly deify the Coburgs. No teacher explained that these inbred vampires enjoy trillionaire lifestyles while half their Commonwealth sleeps in slums.
